SENATE BILL No. 471

DIGEST OF INTRODUCED BILL

Citations Affected: IC 11-8-8; IC 35-38-1-7.5; IC 35-42-4.

Synopsis: Sex offenders. Requires persons convicted of certain crimes concerning prostitution by minors and human sexual trafficking of minors to register as a sex offender. Exempts from registration as a sex offender: (1) a person convicted of sexual misconduct with a minor if the person is less than five years older than the victim; and (2) a person convicted of kidnapping a minor if the person is the parent or guardian of the victim. Requires both sexually violent predators and sex offenders who are not sexually violent predators to register within 72 hours of a release or address change (under current law, sex offenders who are not sexually violent predators may register within seven days). Requires a local law enforcement authority to provide sex offender registration information to the National Crime Information Center sex offender registry file, requires sex offenders to include certain additional details when registering, and requires registering to be done in person in most cases. Provides that sex offenders without a permanent or temporary residence must register in person every seven days and provide the location where they will be staying. Adds certain offenses to the definition of "offender against children," requires offenders against children to register for life, prohibits an offender against children from working in certain locations, and provides a means for individuals designated as offenders against children to have this designation removed. Makes certain other changes.

Effective: July 1, 2007.
